

Press Release: **Fusion Glass** (October 2007)

Nathan Allan Glass Studios Inc, releases our newest unique product line, "Fusion Glass." Produced in 14 brilliant color selections, Fusion Glass incorporates iridescent color features of Dichroic Glass with Clear or Low Iron options. Fissures and air bubbles also become integral components of the finished glass pieces, and make the final appearance even more spectacular. Fusion Glass is available with textured or polished Edges. Contact our studio for custom product pricing.
