

TREO TEXTURED GLASS

PRODUCT INFORMATION

Treo Textured Glass. This simple, yet contrasting combination of our Natural and Pebble textures, has formed our Treo Textured Glass. Similar to a chess or checker game board in design, the 2 distinct textures blend and contract simultaneously. Raised clear lines surrounding each small square heighten the pattern, making it more distinct. Often produced using clear glass, which has a light natural green tint and richer tone. Also available in the more crystal clear low iron glass. Produced in cut to size panels, up to 5'0 x 10'0.

Applications: Balustrade, Cladding, Doors, Facades, Feature Walls, Lighting, Partitions, Walls
