

CRYSTAL CASCADE XL LOW IRON TEXTURED GLASS

PRODUCT INFORMATION

Originally designed for Four Seasons Hotels, Crystal Series ingeniously diffuses light sources. Crystal Series is ideally backlit (natural or artificial), which causes bright illumination of each bead and creates a definitively posh ambience. Crystal Series is often kiln-formed in 3/8" thick tempered glass. Crystal beads are then fused to the back of the panels and finished with an optional Lucent color.

NOTE: VARYING COLOR DENSITY MAY RESULT WITHIN EACH PANEL, AND FROM PANEL TO PANEL. THE INTRINSICALLY RANDOM SHADING IS A BEAUTIFUL AESTHETIC PLEASURE; IT IS A COMMON AND ACCEPTABLE FEATURE, A PART OF OUR HANDMADE PROCESS.

MAXIMUM PANEL SIZE		FEET	METERS				
Annealed or Tempered		6 x 10	1.8 x 3.0
