

# ARROYO TEXTURED GLASS

## PRODUCT INFORMATION

Arroyo Textured Glass combines various architectural glass details into one final portrait. The Linear Flutes are produced in a wide pattern and lightly touched with our Sandstone texture. At the same time, the Flutes are formed into a wavy, corrugated shape, and separated by thin clear lines of pattern. Arroyo textured glass can be viewed from both sides and is ideal in partitions, dividers, and doors. Produced in safety tempered, clear or low iron glass, and in panels up to 5'0 x 10'0.

Applications: Balustrades, Dividers, Doors, Feature Walls, Partitions
