

SCREEN TEXTURED GLASS

PRODUCT INFORMATION

Formation Series Screen Textured Glass is an off shoot of our extremely popular Convex Glass Series. Produced with a Convex Style mold, the design is reduced in size to create a dazzling, micro pattern. This contemporary glass can be produced in clear or low iron glass, and in panels up to 5'0 x 10'0. Each panel will be safety tempered to meet building code requirements. For added effect, frosted, fire frosted, and color finishes can be easily applied to create a stronger privacy effect or a more colorful appearance.
